

Third NETWORKING MEETING

November 15th 2018 - Aula Marconi, CNR, P.le Aldo Moro, 7 Roma

- 09:30-10:00 Registration and Coffee (Sala Laguna in the basement)
- 10:00-10:20 Welcome by the DSB Director Prof. Tullio Pozzan
- 10:20-11:20 Award ceremony DSB Prize 2017 for Young Investigators
"Research in Immunology and its Applications"
- 10:20-10:40 First Prize. Fortunata Carbone (IEOS)
Role of metabolism in the homeostasis of human Treg cell compartment
- 10:40-11:00 Second prize *ex-aequo*. Sara Caratelli (IFT)
Combination of Fc γ chimeric receptor engineered T cells with anti-EGFR monoclonal antibodies: a new immunotherapeutic approach to EGFR overexpressing breast cancer
- 11:00-11:20 Second prize *ex-aequo*. Stefania Picascia (IBP)
Role of cytotoxic T lymphocytes in the pathogenesis of celiac disease
- 11:20-13:20 **Scientific meeting "Immunotherapeutic approaches"**
Chair: Luisa Bracci Laudiero
- Luciana D'Apice (IBP): **An Ig transmembrane domain motif improves the function of TCRs transduced in normal human T cells: implications for immunotherapy**
- Rossella Sartorius (IBP): **Vectorized delivery of α -galactosylceramide and tumor antigen on filamentous bacteriophage fd induces protective immunity by enhancing tumor-specific T cell response**
- Matteo Floris (IRGB): **Genetic-driven druggable target identification and validation**
- Anna Villa (IRGB): **Novel conditioning and gene therapy in PID**
- Enzo Bonmassar (IFT): **Drug-induced neoantigens (DIN) in malignant cells**
- Ambra Natalini (IBPM): **A previously missed population of antigen-specific CD8 T cells dividing in the blood after vaccination**
- 13:20-14:30 Lunch
- 14:30-16:00
Marco Ferrazzoli **La conoscenza ridotta a opinione**
- Seguirà la discussione sul tema:
Comunicazione, formazione e diffusione. Un modello per la cultura immunologica
Moderano Marco Ferrazzoli e Giovanna Montana
- 16:00-17:30 **Discussione aperta**
Discussion leaders: Boraschi, Coscia, Mariani
Argomenti: Il CIN nel CNR, come aumentarne visibilità e impatto
Il CIN fuori dal CNR, come diventare un punto di riferimento
Nuove iniziative e opportunità di finanziamento
Website CIN
Varie ed eventuali
